Wall Baffle Assemblies

- WBS8T725
- WBS8T725V
- WBS8T725BR
- WBS8T725BRV
- WBS810T725

Bogen offers 8" cone speakers (S86 and S810) pre-assembled into a simulated walnut-finished wooden enclosure with a black grille cloth on front. These wall baffles are handsomely styled and ruggedly built with 3/8" particle board reinforced at the corners. Recessed volume control and terminal strip are available options on the WBS8T725 model.

Product Features:

- 4-watt capacity
- 6 different power taps available (4, 2, 1, 1/2, 1/4, 1/8 watts)
- Simulated walnut finish
- Pre-assembled for faster installation
- Works with both 70V and 25V amplifier outputs
- 8" cone speaker for excellent audio quality
- 6 oz. or 10 oz. magnet weights
- Recessed volume control available (on V models only)
- Screw terminals available (on BR models only)
- Easy wall-mount installation
- Mounting hardware included

Dimensions: 9-1/2" W x 9-1/2" H x 5-1/4" D (3-1/4" D @ bottom)
