

P350 Series Portable PA System

Fairfield Audio P350

The Fairfield Audio P350 is a convenient self contained rugged portable PA system designed for a wide variety of uses. With a weight of only 5 lbs everyone from the Football Coach to the Band Leader to the Cheerleading squad find this unit the perfect tool for the job. With the optional floor stand and up to 2 wireless microphones the gun range instructor and political rally organizer are heard loud and clear by all. The built-in wireless microphones are 16 channel UHF with true diversity to provide exceptional quality and performance which is expected of any high quality tool used by professionals. The unit is capable of up to 8 hours of talk time on a single charge. Conveniently the unit's internal battery can be changed out in the field in seconds to provide additional talk time. The optional ST-30 speaker stand adds outdoor setup convenience to this instantly mobile system. The sleek design and hard molded rugged plastic design make this unit take being treated rough and still do the job year after year.
